

2024/5 Queensland Country Good for Good Community Grants Application Preparation

We want to get to know your organisation and the proposed project. This document is designed to help you collate all the information you need to complete your application.

About the club

- All contact information including postal address
- Website and social media links
- Group ABN
- Bank details for the grant funding to be deposited, if your application is successful (all grant funds must be deposited into a Queensland Country Bank account, if your organisation does not already have one you must be willing to open one)
- An overview of your organisation

About the project

- Explain what the project is and how it will benefit the organisation in the short and longer term
- Explain how the project will impact the community
- Who will benefit from this project
- Who are the key stakeholders that will enable this project to be successful

Budget details

- What is the total cost of the project
- How much grant funding are you seeking
- Do you have quotes for the project? Have them prepared when you are doing your application
- Are you seeking funding from any other sources for this project
